WELCOME NEW MEMBERS

We are pleased to welcome **Toni Green, D.O.** and **Sondra Holloway** as new members of the Foundation.

Dr. Green is a breast surgeon and the Director of Breast Oncology at Penrose-St. Francis Health Services. She is a graduate of the Chicago College of Osteopathic Medicine. Dr. Green completed her internship and residency in general surgery at the University of Medicine and Dentistry of New Jersey and was Chief Resident from July 2008-June 2009. She completed a multidisciplinary breast surgery fellowship at the Mayo Clinic in Rochester, Minnesota.

Sondra Holloway is a fourth year medical student at Rocky Vista University College of Osteopathic Medicine and is our first student member. Ms. Holloway received her Bachelor of Science degree in 2006 in Biopsychology magna cum laude from the Nebraska Wesleyan University. She is a member of the Sigma, Sigma Phi Honor Society. Ms. Holloway is a member of the American College of Osteopathic Family Physicians, American College of Osteopathic Pediatricians and DOCCARE International among other professional organizations.

Our objective this year is to recruit at least five new members. Your help is needed with this effort. Membership information and applications are on our website: www.csof.org and can be downloaded. In addition, I am happy to email, fax or mail applications and more than willing to meet with prospective members.

DIRECTORIES POSTED TO CSOF WEBSITE

Two on-line Physician/Allied Health Professional member directories are now posted to the Foundation's website. One is for the general public's use for physician referrals. The other directory is for members only and is password protected. To access the member only directory, you need the password. Please contact Doris to obtain the password if you don't have it.

FALL MEMBERSHIP MEETING SCHEDULED

Plan to attend the Foundation's fall membership meeting at The Warehouse Restaurant. It will be held October 11th at 6:00 p.m.

CSOF's Grant Program Making an Impact on Children

CSOF's Board Secretary, Curry Horak, M.D., (center) presents grant award to SET's President and CEO, Zelna Joseph, (right) and her board chair, Mike Scialdone (left). SET Family Medical Clinic is in its 21st year. Its mission is to provide compassionate medical and healthcare services to underserved people without discrimination. Our grant enables SET to provide healthcare services to an additional 2,080 children and helps offset the costs of laboratory tests and screens

for these children.

The Foundation's next deadline for receipt of grant proposals is the first of August.

MESSAGE FROM YOUR EXECUTIVE DIRECTOR & CEO

To all of our members and donors, THANK YOU for a productive 2010-2011 fiscal year. You, our members and donors, are critical to our ongoing success and goal of continued excellence. For our 2011-2012 fiscal year which began July 1st, we have established specific objectives to reach. They are all attainable with your commitment and participation. Our fundraising goal for this year is \$50,000. This means doubling what we raised last year and every member contributing. Achieving this goal will help us meet our objective to provide 10 Osteopathic Medical Student Scholarships by the year 2014. (Currently we are funding 6 students). Why is this important? As physicians retire in the next several years and/or change careers, Colorado will be facing an even greater physician shortage than we are currently experiencing. By selecting students from Colorado, we expect to have a positive impact on Colorado's shortages. We anticipate that our scholarship recipients will return to Colorado to practice medicine once they complete their residencies. It is incumbent upon the Osteopathic profession and our Foundation to do what we can to nurture relationships and to be part of the solution. This is an excellent means to leverage resources and advance the larger cause. With all of you as members on our team, the board and I look forward to your engagement and another rewarding year.
